

# Dave the Alien

Green, squishy looks like a person in a costume.

Black eyes

Green body

About 5 ft tall

100 years old (middle aged for aliens)

---

## Favourite Things

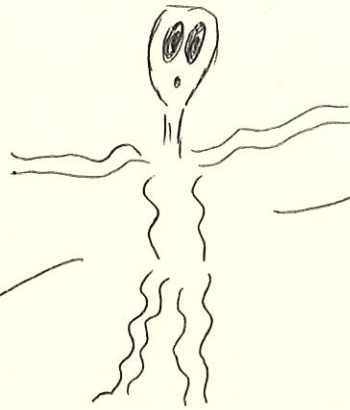

likes eating birds (like 'Paul')

Hands + feet sticky like a geckos so likes to climb.

likes going clubbing as the beat of music physically vibrates through him

Fascinated by smelling trees + flowers etc.

As they don't get them on his home planet

at least not as nice smelling.

---

## Background

Doesn't know parents as he was laid as an egg in sand on a beach on home planet

When hatched, him + all other hatchlings have to make their way along the beach, through a forest of moving trees to the city where they are fed + trained like here on earth.
