STEPS TO CAREER SUCCESS FOR SECOND YEARS

The Queen's Careers Team are here to support you with all aspects of career planning and decision making.

If you don't have a compulsory placement built into your degree, now is the time to start thinking about ways to build up relevant work experience.

We're here to help you at every step of that journey. We'll help you understand how the graduate recruitment selection process works so you can hit the ground running next year.

Follow the steps below to get started.

FIND OPPORTUNITIES IN MYFUTURE

MyFuture is our online Careers portal. It's where you can find jobs and opportunities, including work experience and internships.

Top tip: Some companies use the term placement and internship interchangeably so search for both.
