

2023-24 Software Engineering Final Year Project (CSC3032- SEFYP)

Call for Project Ideas: Expression of Interests (Eoi)

* Required

1. Informed Consent *

By answering this form, I consent for the information provided to be shared with CSC3032 academic staff and students for teaching and pedagogical purposes.

IMPORTANT NOTE

During the project selection process (18 Sept - 09 Oct 2023), your name, position, and contact details (Q.1-Q.6) will only be accessible to academic staff; they will be stored on OneDrive on encrypted University servers, and on staff laptops managed accordingly to QUB Data Protection Policy. However, **the answers to the remaining questions, including Q.8 'Project Summary' and Q.11 'About Your Organisation', will be shared with all our CSC3032 students as part of the project selection process.**

Once the project selection is completed, the tutors will ask your permission to share your contact details with the team(s) allocated to your project. Once permission is granted, the students will contact you directly. Finally, please note that the information collected through this form will be used for education and learning purposes only, and will not be shared with third parties. Please contact the module convener m.ferrario@qub.ac.uk if you require further information.

I consent

I do not consent

2. **First Name** *

3. **Surname** *

4. **Organisation** *

5. **Role / Position**

6. **Email** *

7. **Project Title**

Please enter a working title of your proposal, leave blank if you don't have one yet.

8. Summary of Proposal (~250 words) *

Please provide a short summary of your project proposal. For example, what the system that you propose is about, why is needed (e.g., the problem that is trying to solve), by whom (e.g., who are the main beneficiaries of your system)

9. Technical Skills (Required and/or Desirable)

Please let us know if the system proposed requires specific technical skills, *this field is optional: leave blank if not relevant*

10. How many teams can work on this project proposal? *

a student team is made up of 4-5 students

- just 1 team
- 2 or 3 teams

11. About Your Organisation (~150 words) *

Please tell us about your organisation / department; you can leave it anonymous (e.g., describe your organisation without giving its name) if you wish.

12. **If selected, do you consent to share your project description with other champions? ***

This will facilitate knowledge sharing and organisation of demo events (e.g. show & tells). Information shared includes your project and organisation description (Q7 to Q11), but not your contact details.

Yes

No

13. **Comments to the teaching team**

(Not shared with students / other champions)
